Hello West Rocks!

The 2019-2020 school year is approaching quickly! As we prepare for the first day of school, please reference the recommended supply list below. Last year we shifted to each student having a Chromebook throughout the day and students are utilizing their Google accounts, so we have tried to streamline the necessary supplies.

We are going to focus on student organization – note taking, graphic organizers...etc. This may also include standardized notebook checks.

#### WRMS Student Supply List 2019-2020

- 2 ½” or 3” **loose leaf binder** (all other components should fit into this binder)
- 8 pocket folders
- 1 five subject spiral bound notebook (college ruled or wide ruled)
- loose leaf paper
- “Post-it” notes (at least one pack)
- “Pencil pouch” that attaches to binder
- Pencil sharpener
- Blue or black pens
- Pencils (No. 2)
- Colored pencils
- Highlighters – multiple colors
- Calculator – Ti-83 or Ti-84 optional (Teachers have calculators available; however, this is an investment.)
- Backpack (no wheels) – it should fit the binder and have room for additional belongings

Other optional supplies: black marble composition book, dividers, markers, glue stick...etc. *Please refrain from bringing whiteout.*

#### Reminders:

- Our grade 6 orientation will be in the morning on Monday, August 19 – specific time to be determined.
- The first day of school is Tuesday, August 27, 2019 – it is a full day. The summer reading and math assignments will be due on that day.

See you soon,

Adam Reynolds
